

Volunteer Role Profile

Volunteer Role: Worship Team Leader

Volunteer reports to: Worship Coordinator and Church Leader

Why we want you

Worship is not just an essential part of our church life, but an expected part of our day to day lifestyle. At FOBC we are striving to build a culture of worship that is honouring to God and that allows the church to go deeper into a living relationship with Jesus. As part of the 'sung worship' we are looking to create a group of dedicated musicians who have a heart for Jesus and a desire to give their best for the glory of God and in assisting the congregation both assembled and scattered to worship.

We want you to help us in doing this by leading, not just our band but the church itself in sung worship.

What you will be doing

- As a leader it is your role to spend time prayerfully choosing songs, keys and styles. Then emailing them to the band before the rehearsal on Tuesday so as to allow the musicians to complete their role by listening and practicing ahead of the rehearsal itself.
- As the Worship Leader you will need to liaise with who ever is preaching and service leading on the Sunday you're leading, ensuring that service is cohesive, and each part compliments the other.
- Currently our model is in addition to the Tuesday 7:30pm rehearsal, we ask all the musicians who are playing to arrive at 9am, ready to sound check at 9:15am, take part in the Team Huddle at 9:50am and pre-church prayers at 10am. (This will change once we move to dual services, as there will only be a hour between the services which will give the band a much smaller window for sound check and little to no rehearsal time.)
- Making sure to put availability into ChurchSuite for rotas to be created.
- Following the direction of Worship Coordinator and Church Leader, working within any risk assessments as provided.
- Operating within the values of Four Oaks Baptist Church, reflecting Christ in all you do within your role.

The qualities and skills you need

- A servant hearted approach to leadership
- A desire to worship

- Be expected to play/sing at a high enough level to lead both band and church
- A team player
- A sensible regard for health and safety.

What's in it for you

- A chance as a musician to belong to something bigger.
- Training and ongoing support will be provided by the Worship Coordinator and Church Leader.

- An opportunity to serve your community, church and Christ through using your God-given skills.
